The Hong Kong University of Science and Technology
School of Engineering
Targeted Taught Postgraduate Programmes Fellowships Scheme (2021/22)

Fellowship Policy & Eligibility

(to be awarded by the HKSAR Government and funding allocation is subject to approval from the Legislative Council.)

1. Objective

This pilot scheme aims to attract and nurture more local talents to pursue further studies in the identified priority and strategic areas in Hong Kong.

2. Amount of Fellowship

Students are required to pay a minimum tuition fee of HK$42,100 and the differences will be subsidized by the fellowships subject to a cap HK$120,000 for each student.

3. Eligibility and Conditions

To be eligible for the fellowship, applicants must satisfy all of the following conditions:

(a) The applicant must be a new local student enrolled in one of the following programmes in the academic year 2021/22:

(i) MSc in Big Data Technology (“BDT”)

(ii) MSc in Civil Infrastructural Engineering and Management (“CIEM”)

(iii) MSc in Environmental Engineering and Management (“EVEM”)

(iv) MSc in Technology Leadership and Entrepreneurship (“TLE”)

Students entering Hong Kong on Student/ Dependent/ IANG or Work visa are not eligible under the Scheme.

(b) To avoid double subsidy, applications from students who are receiving other forms of government scholarships including Continuing Education Fund (except student financial assistance) for pursuing the same programme will not be considered.

Note 1: In case the successful applicant fails to complete the specified MSc programme or to attain an expected level of performance, full refund of the Fellowship received to the Government is required.

Note 2: Successful applicant will not be eligible for participation in the Hong Kong Talent Development Scholarship, Entrance Scholarship as well as Arthur and Louise May Scholarship.
4. **Selection Criteria**

Selection will be based on merits taking into consideration the applicant’s:

- academic achievements;
- professional qualifications;
- relevant working experience;
- achievements in other areas; and
- a personal statement on how he/she can contribute to the corresponding priority area of Hong Kong after completing the MSc programme concerned:
